What could happen in future

1 What do you think about the idea?

I like the idea

Why do you think that?:

You should have regular health checks. You should receive letters from the doctors in Easy Read.

2 Could this idea be made better?

No

What could make this idea better?:

That is a good idea.

What could happen in future

1 What do you think about the idea?

I like the idea

Why do you think that?:

This idea includes all, it should be for every person. So it shouldn't be accessible for only children, adults and old people, but for people with disabilities too.

2 Could this idea be made better?

No

How could this idea be made better?:

Great idea. All information given out, especially in terms of people's health, should be in an accessible format.

3. Max

What could happen in future

1 What do you think about the idea?

I like the idea

Why do you think that?:

We like this idea because it helps him feel a lot calmer (by not being restrained). He's having a say in his life and what happens to him.

We really enjoyed having one-on-one time when we were in school. It makes school a lot less stressful and helped us to learn.

2 Could this idea be made better?

I don't know

How could it be made better?:

What could happen in future

1 What do you think about the idea?

I like the idea

Why do you think that?:

It is a brilliant idea.

2 Could this idea be made better?

No

How could this be made better?:

As long as children have services that meet their needs and education is accessible.

What could happen in future

1 What do you think about the idea?

I like the idea

Why do you think that?:

It shouldn't be mandatory. The parents should have the choice of whether they want support or not - some people may not need support to help their child.

However if they want support they should definitely get it.

2 Could this idea be made better?

No

How could this be made better?:

About you

1 What is your name?

Name:

Advocating Together (Dundee) SCIO
